OUR STORY

Four friends. A shared passion. A place to bring people together.
NURz began with a simple idea: to bring people together through great food, genuine hospitality and a love of Pakistani cuisine.
As four friends from West Yorkshire, we share around 100 years of combined experience in cooking and hospitality.
Two of us have spent much of our lives perfecting our craft in the kitchen and training other chefs, while the other two bring their experience and passion for making every guest feel welcome. Inspired by the rich flavours and traditions of Pakistan, we want NURz to be more than just a place to eat.
We want it to be somewhere to share a meal, catch up with loved ones, celebrate special moments and create memories over food made with care.
Our name reflects what we hope to bring to every visit: a little light, warmth and happiness. Whether you're here with family, meeting friends or simply enjoying a meal, we want you to feel at home.
For us, great food is about more than what's on the plate.
It's about the people around the table. Welcome to NURz.
Good food, warm hearts and a little more light in every day.
